

**Remuneration Packages for Staff in the Top Three Tiers
of Non-governmental Organisations (NGOs) operating Subvented Welfare Services**

Review Report for the Reporting Year of 2022-23

According to the Lump Sum Grant Manual, NGOs receiving recurrent subventions of not less than \$10 million a year and such amount exceeds 50% of their operating income pertaining to services / programmes within the welfare purview are required to submit the "Review Report on Remuneration Packages for Staff in the Top Three Tiers" (Review Report), and regularly review the number, rank and remuneration packages of their senior executives in the top three tiers.

NGOs currently exempted from completing and disclosing their Review Report are encouraged to consider making public the remuneration information of such staff in order to enhance their public accountability and promote the public's understanding of NGOs' financial position.

In cases where the top three-tier positions of the NGO (or of a particular division, e.g. social service of the NGO, where appropriate) are funded entirely by the NGO's income from sources other than the Government, other senior staff of the NGO (or of its particular division) occupying the subsequent three-tier positions may be covered subject to the NGO's particular circumstances such as its organisational structure.

[Please read the explanatory notes before completing this form. The completed form should reach the Social Welfare Department (SWD) through electronic submission by 31 October 2023.]

**Notes for Completing the Review Report on
Remuneration Packages for Staff in the Top Three Tiers
of Subvented Non-governmental Organisations (NGOs)**

- [1] For Part (A), please input information of both serving and departed staff but exclude those staff serving their first contract, i.e. staff newly employed by the NGO in the reporting year. The information on staff newly employed by the NGO serving their first contract in the reporting year should be separately entered in Part (B) of the Review Report. For staff having internal promotion or transfer that brings about change in tier within the reporting year, please input the relevant remuneration information in the respective tier accordingly. For example, if a third-tier staff was promoted to a second-tier post with effect from 1 July 2022, the remuneration for the period from April to June 2022 should be reported under the third tier while the remuneration for the period from July 2022 to March 2023 should be reported under the second tier.
- [2] All monetary figures should be rounded up to the nearest dollar.
- [3] The first-tier staff is generally defined as the executive head of the NGO who is directly responsible to the NGO Board / Management Committee, the second-tier staff as senior staff directly responsible to the executive head of the NGO, and the third-tier staff as senior staff directly responsible to the second-tier staff. Only staff members whose remunerations are partly or fully covered by SWD subventions should be included.
- [4] Number of posts refers to post(s) occupied by remunerated staff during the reporting period. Post(s) without staff cost such as consultant on voluntary basis or vacant post(s) should not be counted where there is no expenditure on staff remunerations for the whole reporting year. Fractional posts should be indicated with figures up to two decimal places. Please note that number of post(s) may be different from number of headcount. For example, if the number of staff turnover is twice for a post within the reporting year, the number of post(s) to be reported should be one instead of three.
- [5] Please list all post title(s) (e.g. Chief Executive Officer, Senior Social Work Officer). If there is one post in a tier reported in "(a) Number of Post" and the number of staff turnover is twice for the post within the reporting year (i.e. total three headcount of staff), there should be one row of information added to "(b) Post Title" and the number of months is equal to total number of months served by the three staff. In another example, if there are three posts of Social Work Officer in the same tier, please input three rows of 'Social Work Officer', rather than input 'Social Work Officer x 3'.
- [6] Please round up the number of month(s) to two decimal places (e.g. 0.50 or 0.33 month).
- [7] "Total annual staff costs" refer to the total remuneration costs covering salary, provident fund, cash allowances and non-cash based allowances of all staff members of the tier incurred in the whole reporting year (i.e. from 1 April to 31 March in the reporting year). For staff working for both SWD subvented services and non-SWD subvented services, the portion of staff costs funded by non-SWD subventions should not be included.
- [8] Salary refers to the annual expenditure on annual salary of the respective staff for the whole reporting year.
- [9] Cash allowances such as responsibility allowance, housing allowance, hardship allowance, bonus, gratuity, overtime allowance, entertainment expenses, travelling expenses, etc. Please specify the type of allowance in bracket.
